

WRT-150

Semi-automatic floor mounted rotary arm

The ideal stretch wrapping solution for your unique needs

Improve productivity, operator efficiency while reducing film and labor costs

Designed for increased flexibility

- Spring loaded pre-stretch gate for precise, knowable load containment and prevents film slipping...Wulftec exclusive that saves money!!
- Heavy duty 25" ring GEAR bearing with pinion GEAR drive...industry best
- Industry leader in reliability, ruggedness and performance
- Top to bottom wrapping program
- Washdown motors for high pressure cleaning to remove any unwanted contaminants
- Stainless steel base cover
- Panelview plus touch screen; multiple wrap settings
- Epoxy paint or Steel-It paint...water and corrosion resistant
- 10" Square tubing column
- Angled carriage to wrap approximately 2" from floor level for a secure load
- Top cover pause switch (splash proof program)

We have the solution for your industry

Wulftec® stretch wrappers are built to last in the harshest of environments.

Stretch film is one of the most economical and reliable packaging materials.

- Offers protection from water ingress, dirt and abrasion
- Ensures integrity of the load
- Highly flexible to wrap a multitude of shapes
- Available in different film gauges, characteristics, lengths and colors
- Exceptional puncture resistance
- Stretch film can be recycled

Productivity and cost effectiveness go a long way with stretch wrapping solutions.

Speed up your production line and get to the market faster with a competitive edge wrapping solution.
