

WULFTEC® Heavy duty elevating conveyors

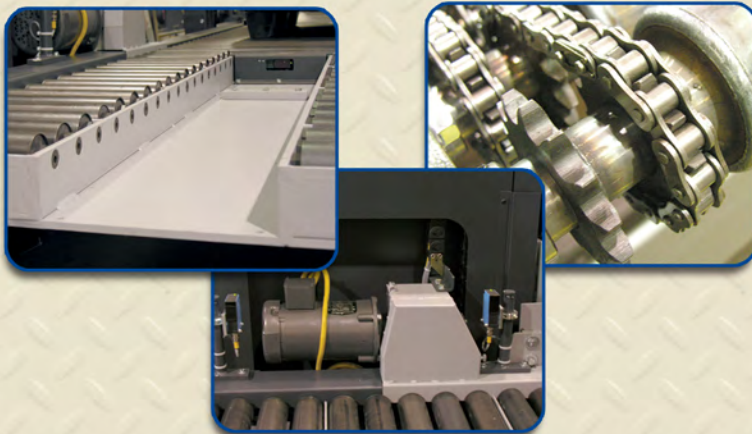

Wulftec has built a solid reputation on being experts in the conveyor industry with multiple conveyor solutions for all industries. Having a Wulftec® conveyor on the production line is a powerful statement. It's an investment in strong values because Wulftec is dedicated to manufacturing only the best. It's an investment in all steel construction, for increased stability and strength. It's an investment in success, because Wulftec® equipment is designed and built to last load after load, year after year.

- ✓ **No Pit Mounting**
- ✓ **Pallet Jack Loading**
- ✓ **Raise The Pallet to the Required Conveyor Height**
- ✓ **No Hydraulics to Maintain, No Messy Oil Leaks**

STATE-OF-THE-ART CONSTRUCTION

- ¼" thick side rails
