WHO WE ARE

Wulftec International is synonymous with unbeatable strength and durability for stretch wrapping automation, strapping equipment and pallet handling solutions. We are renowned for developing, manufacturing and distributing the industry's most dependable equipment. Our unwavering focus on quality, service and innovation means Wulftec machines are designed to work flawlessly in any environment and under any condition, load after load, year after year.

Wulftec's expertise in designing and integrating custom solutions for load containment, whether it involves stretch wrapping, strapping or a combination of both, gives our customers the assurance that their product will be securely held in place and will safely arrive intact at its destination.

With Wulftec, our customers get the industry's best products, backed by superior customer service. We don't settle for anything less than 100% customer satisfaction. With our can-do approach and our extensive network of Wulftec certified distributors, our customers can be sure to benefit from the exceptional value, reliability and productivity that only Wulftec can offer. We Fear No Packaging Challenge.

WHAT WE DO

Wulftec's engineering and application experts solve packaging challenges through our unique ability to innovate, customize and combine the best technologies to deliver a complete integrated solution for load containment.

Our innovative and reliable equipment portfolio includes pallet handling, conveying, stretch wrapping and strapping automation. No matter what the load containment challenge is, we will deliver the right solution to our customers.

DOING GOOD

Wulftec is committed to empowering our employees to make a difference. We give back to our communities by contributing to educational and social programs, being environmentally responsible, and supporting philanthropic and volunteer programs. By partnering with organizations that share our values and are close to home, we can have a meaningful impact on those around us that need it most.

“One of my favorite activities of the year is when the Wulftec team does the 12-hour Relay For Life overnight walk. We are proud to join in and contribute to this community fundraising event in the fight against cancer.”
