

How can we help you?

Here is the solution for distribution centers:

Wulftec offers a complete line of semi-automatic and automatic stretch wrapping systems made to measure and meet the specific needs of our customers. Whether or not you're in the market for new equipment, it's always a good time to plan for success.

Consecutive Machines

Wrap multiple load simultaneously

- Reduced labor cost & improved ergonomics
- Reduced damage & consistent load retention
- The operators will see the productivity gains & advantages

Options Available:

There are many options available for maximum flexibility:

- Top platen
- Manual or electric swivel
- Top and bottom tab folding
- Heat seal
- Roping
- Scale
- and more...

We have the solution for your industry

Our stretch wrappers are built to last in the harshest of environments

- Best warranties in the industry
- 10 year warranty on 25" ring gear bearings
- Lifetime warranty on pre-stretch rollers' blue compound
- Heavy duty structural steel construction (no plastic)

Stretch film is one of the most economical and reliable packaging materials

- Offers protection from water ingress, dirt and abrasion
- Ensures integrity of the load
- Highly flexible to wrap a multitude of shapes
- Available in different film gauges, characteristics, lengths and colors
- Exceptional puncture resistance
- Stretch film can be recycled

Productivity and cost effectiveness go a long way with a Wulftec stretch wrapping solution.

Speed up your production line and get to the market faster with a competitive edge wrapping solution.
