

LEASE WULFTEC® PACKAGING EQUIPMENT WITH NO MONEY DOWN!

Why Wait For A Better Bottom Line To Invest In Quality Packaging Equipment? Instead, Lease Wulftec Packaging Equipment And Get More For Less.

Benefit today from 100% financing and a \$1 end-of-lease purchase option!

Wulftec's leasing program is right for you if:

- You are a Wulftec distributor or an end-user
- You need up to 100% financing
- You want high-quality equipment but currently don't have the funds
- You would like the option of keeping the equipment at the end of your lease

Leasing – It Makes Sense!

- Write off lease payments as an operating cost
- Enjoy flexible payments
- Preserve cash flow for other business needs
- Afford equipment that's faster, more efficient and more accurate, but expensive to buy outright
- Spread out the cost of equipment over several years
- Keep your credit lines and borrowing potential intact
- Improve your equity-to-debt ratio

Save Even More Time And Money With Our \$1 Purchase Option!

At the end of your lease, purchase your Wulftec packaging equipment for only \$1! That's right, you get to keep the machine...and enjoy reliable, efficient packaging equipment for years to come (after all, it's a Wulftec so it's made to last).

- No need to spend man hours shopping around for new equipment
- No downtime related to replacing the machine with another one
- Increase workforce efficiency
